

Green flowing pastures
Smashed broken guardrails
Bright shining moonlight
Dark red blood on the tar
Strong tall trees
Blue red flashing lights
Beautiful little sports cars
Cracked crushed windshields
Nice new car keys
Battered dangling hands
Polka dotted seat cushions
Hazel green eyes shut for eternity

One too many little drinks
High School Graduation not attended
Death added to the obituaries
College acceptance letter thrown away
Mourning Family
No walk down the aisle on her wedding day

Think before you drive
Be safe and arrive alive.
