

"When Cars Turn on, Phones Should Turn off!"

*Ring ring, beep beep!
Text coming in,
Who could it be?
Parents, sister, Mrs. or Mister
Ring ring, beep beep!
I'm driving...got to wait,
Ring ring, beep beep!
Got to wait, but got to answer,
Ring ring, beep beep!
Got to answer, just one peek.
It's news from the phone I seek,
Just one peek, just one peek..
I took my peek, life is good!
Best friend wants to talk,
Do you think I should?
Sure I should, just to say Hi!
Impact batters, windshield shatters,
Airbag out, paramedics all about,
Foolish me, foolish me!
There was a turn I did not see,
It was just one peek,
But that one peek brings futures bleak,
Ring ring, beep beep!*
