Prom Night

Tux, black.

Dress, Wine.

King, Queen, Court,

Coarse pavement, time ticking

Skrtt skrtt

Rager tonight.

Culmination, coronation,

Drop-top, sway.

Backroad shortcut,

"On my way."

Be there soon,

Can't be late.

Get the buzz,

Hit the vape,

Liquid confidence,

Our time t'day.

Let's get wasted,

I'm the realest, people say.

Pulling up,
Powerglide,
No lambo,
But parent's whip sure can fly.
Phone buzzing or just me?
Snapchat that girl in the seat.

Flashing camera,
Bright white light,
No more worry
About being late
On Prom Night.
