

It all starts with a sip  
Wine  
Beer  
Vodka  
or whiskey  
All in one and that will make you more than tipsy,

Drinking and driving is very lame,  
Especially getting hurt from the negative fame...

Facebook, cnn, instagram and all,  
Will feel the impact of your fall.

So please stay safe and arrive alive,  
or else you will go before your time.

Mom  
Dad  
Guardians and all  
Don't want to get the call.  
Stay smart and be wise,  
Because we don't want anybody to die!
